Now under new ownership, Cypress Hills Winery has moved to a new convenient location north of Maple Creek, adjacent to Highway 21. Their fruit wines and meads are made from Saskatchewan-grown fruit, local honey and Cypress Hills Spring water. The winery continues to use the recipes developed by the Bohnets to bring you the same great taste you know and love. Cypress Hill Winery invites you to Taste the Prairie Sunshine Sample wines in the tasting bar or on the patio, enjoy a glass with a light snack at the Bistro and check out the gift shop for locally crafted and wine-related gifts and artwork. The Tours can accommodate an estimated 15 people per tour. However multiple tours will be book based on registrations. At this time transportation to the wine tour is not secured. We understand that having provided transportation is important and we are working to resolve that issue.
